

ALL DEMONS DAY: The Havana Pirate Manuscript

For Rey, a young pirate, being on the run is a natural condition. When the Vision Quests crew votes him off the ship to undertake Captain Trenchs latest mission, hes not surprised. Hes never been regarded as one of them. Set ashore near Havana in 1766, Rey ventures into San Cristobal de La Habana, finding it afire with raucous music, dancing, and drunkenness. A temporarily free soul between the worlds of land and sea, Rey gets caught up in the yearly African carnival of Epiphany-All Demons Day. In a drunken stupor, Rey is stripped of his contraband by thieves. While obsessing over the loss of Mr. Trenchs goods, he is taken in by a street girl, Epifania. Dodging demons of her own, Epifania protects Rey, but she also plunges him into the islands merciless colonial politics and slave economy. Rey and Epifania become wanted by both pirates and politicians, dodging each group by continually moving from one hovel to the next. All Demons Day, richly seasoned with historical facts, is filled with intrigue, adventure, and suspense. If youre expecting a pirate story with codes of honor, betrayal, corruption, and the compelling mysteries of Caribbean witchcraft, you wont be disappointed.
