

## Ashenden

When war broke out in 1914, Somerset Maugham was dispatched by the British Secret Service to Switzerland under the guise of completing a play. Multilingual, knowledgeable about many European countries, and a celebrated writer, Maugham had the perfect cover, and the assignment appealed to his love of romance, and of the ridiculous. The stories collected in *Ashenden* are rooted in Maughams own experiences as an agent, reflecting the ruthlessness and brutality of espionage, its intrigue and treachery, as well as its absurdity.
