

Big, Blooming & Wild!: Mulberrilicious

Two hunks offering a menage and more. After losing her job due to the economy, and her fiance due to a skinny chick, Trisha moved out to Missouri to be with her sister. While caring for her niece and nephew she runs into the two handsome hunks who own a neighboring property. What she does know is that both want her, and neither cares that she is a BBW. What she doesn't know is that they're not what they seem to be. Oh, and they're already lovers.
