

Buddy Bear

The Child Eight-year-old Lily is left fragile and broken after her mothers death. Alone and scared, she turns to anyone that can keep her safe and protect her from the evil that lurks behind every shadow. Lily soon discovers that her protectors are the evil she needs protection from. The Father Mitch both loves and despises his daughter. He despises that she is a living, breathing human being that reminds him of his ex-wife. He loves punishing her for it. The Friend John is a kind, smart, and gentle man who vows to protect Lily from her fathers wrath, but at what cost to Lily?
