

I Married a Moron: (A True Novel)

I MARRIED A MORON by Candace Klieman Get ready for nonstop fun with an unusual twist: Candys true story, told from her husbands point-of-view. Its the wacky world of Dr. Charles and Candy, a total mismatch. Hes East-Coast educated-shes Midwest gorgeous-but-ditsy, (picture: ERs Dr. Carter meets Jessica Simpson). In this wildly comical battle of the sexes, youll also meet Simon, the world-renowned shrink who dates teenie-boppers; Heather and Mindy the skinny-dipping tennis bimbos; Vinnie, an outrageously successful relationship guru who never dates the same woman twice. Plus, other zany characters that make this unlikely pair seem almost normal by comparison. At first, Dr. Charles is taken aback by Candys beauty, but when she speaks, shes simultaneous funny and daffy. Asked if shes heard the term alienation, Candy replies, Yeah, this girl at work says she was abducted by them last Summer! This bizarre pair can never agree, yet that tiny thread of sexual attraction resists snapping. These two break up and make up so often, youll need a scorecard to keep count. Charles finally convinces Candy to marry him, then blows it by misbehaving at his bachelor party. But in the end, youll love how Charles cleverly saves the (wedding) day. If youve ever loved and lost, and could use a good laugh, this storys for you!
