

How To Succeed In The Face Of Adversity: Stories to inspire your audience (Volume 90)

This book contains the accomplishments of great men and women around the world who against all odds have excelled in situations that seemed impossible. Some of the stories will make you laugh, while others, will make you cry. Whichever be the case, it is geared towards motivating you to succeed in the face of adversity. It is a collection of stories of people of our time and generation who out of determination, perseverance and trust in God, had rose from nowhere to some where and from nobody to somebody.
