

# The Dominican Affair: What Every Woman Wants But Does Not Have

Author Mickey See-Asia brings her readers into a world of promiscuity, fornication, greed, lust, jealousy, trickery, and adultery amongst the characters in her novel. She then takes her readers on a roller coaster ride of pure sensuality and spirituality that leads to intimate, inspiring, monogamous but healthy relationships. Is this truly what every woman wants as stated in the subtitle of The Dominican Affair?
