

## Roses in Snowstorm

During unprecedented the Great Proletarian Cultural Revolution (1966-1976 in China), a guy born in the family of Five Black Categories fell in love with a girl born in that of Five Red Categories and the latter likes a rose soughing and trembling to flower in boundless windy and snowy ground. In a few years the educated youth nicknamed whelp wrote quite a few letters to his lover. In the letters and diaries he poured out his love and described his life and unfavorable situation, in which the Political Movement all over the China is vividly portrayed: rebelling, demonstrating, establishing ties, criticizing and denouncing at a public meeting, resorting to violence...all reflect the attitudes to the political Movement, the cognition of the Cultural Revolution, the trails of the thought change of the youths born in the family of Five Black Categories in the lowest level in the society who still might be educated well and, the postures of various people in the then Once class struggle is grasped, all problems can be readily solved situation in China.###HUANG ZHENTIAN Huang Zhentian was born in 1947 in Rugao, Jiangsu Province, China. He discontinued his studies after graduation from primary school in 1957, worked in a factory in 1959, was transferred to work in the countryside in 1960 and, returned to city in 1962 and was admitted to junior school. In 1965 he graduated from junior school as an educated urban youth working in the countryside for another time. In 1979 he was back to the city and worked in the factory again. In 1980 he was admitted to university and after graduation from university had been engaged in machine design till retirement.
