

## Appointment on Lake Michigan

The temperature is minus forty degrees. A helicopter has landed on the frozen surface of Lake Michigan. What have I done? .... What have I bloody well done? Alistair Craig asks himself as he discovers the identity of his passenger and becomes embroiled in a terrorist kidnap plot headed by a ruthless Al Qaeda gang. And the IRA has joined them! A hair raising flight at night across the Great Lakes ends with an air sea rescue on a luxury yacht. Political intrigue, fierce action, and a fraught romance come together in Dennis Kenyon's first book.
