

Poetry from the Heart: Poems inspired by the practice of Nichiren Daishonin's Buddhism in the Soka Gakkai International

Poetry from the Heart is a book of poems inspired by the practice of Nichiren Daishonin's Buddhism. It explores themes of hope, perseverance, compassion, and establishing a state of fundamental happiness. The author, a youth leader and practitioner of Nichiren Daishonin's Buddhism for 14 years wrote all of the poems for the encouragement of others based on Buddhist philosophy and her experience with it in her life. The read is inspirational, motivational and covers such topics as the attainment of world peace, personal growth and finding joy amidst difficulties. Although the poems in the book were written for fellow practitioners of Nichiren's Buddhism as practiced in the Soka Gakkai International, each and every poem is appropriate for anyone seeking inspiration and encouragement. It is also a great read for anyone who desires to learn about the philosophy of Buddhism, the Soka Gakkai International (SGI), and how Buddhism can apply to the average person's daily life.
