

Ruinaton of Dan Becker

This is an easy-reading adult western. Avalon Westerns are action-packed stories of the Old West. This novel features the character Dan Becker, who would certainly deny that hes a hero, and right now he has female trouble with the McCray sisters. He would like to be able to get out of town, but he cant leave town until hes sure that the women are safe, and that Ketchum gets whats coming to him. Between the flying bullets and the alluring Laura, it seems he may be a dead man either way.
