

Savage Retribution at the Rugby World Cup

This fast-paced thriller by a veteran sportswriter tells the story of a war-hardened and enterprising band of former mercenaries who are prepared to kill, kidnap, maim and even devastate the Rugby World Cup Final to get retribution for the harsh and unfair post-war treatment dished out to them by a changing Africa. It also tells the story as it races from Cape Town to Zambia, the Congo, Durban and finally to Johannesburg of the men trying to stop them.
