

The Imposter Bride

Audie Award Finalist, Fiction, 2014 In the wake of World War II, a young, enigmatic woman named Lily arrives in Montreal on her own, expecting to be married to a man she's never met. But upon seeing her at the train station, Sol Kramer turns her down. Out of pity, his brother Nathan decides to marry her instead, and pity turns into a deep - and doomed - love. It is immediately clear that Lily is not who she claims to be. Her attempt to live out her life as Lily Azerov shatters when she disappears, leaving a new husband and a baby daughter with only a diary, a large uncut diamond, and a need to find the truth. Who is Lily and what happened to the young woman whose identity she stole? Why has she left and where did she go? It's up to the daughter Lily abandoned to find the answers to these questions, as she searches for the mother she may never find or truly know.
