

# The Stallion Man: The Sussex Quartet 1

Frank Morgan: hot-blooded, part gypsy and as renowned for his virility as the great shire horses he owns. Rachael: the beautiful and unfulfilled woman who arrests his wandering eye. Seduced by his charms, she is torn between duty to her husband and a growing affection for a trusted friend. During the long summer months of 1852, the tension mounts leading to a climax and a tragedy that will mark all of their lives. The Stallion Man is a classic tale of romance and tragedy in rural Victorian Sussex, first in the acclaimed Sussex Quartet.
