

The Sweetest Rose of Texas: The Life Poetry and Teachings of Lois Pauline Moore-Newcomb

This is a small book of thoughts and poems and my understanding of what it is to live a life for Jesus. I dedicate it to all my children, and I hope that the memories of my life will recall a simpler and better time when families prayed together and loved the Lord. This is a wonderful book of love and praise by a wonderful woman, whose kindness and love affect us all with happiness. I recommend it to people of all faiths. As well it takes us back to the Dallas, Texas of the 1920s and 1930s, before the hustle and bustle of the modern metropolis we experience today. A family of Texas farmers from Mesquite who loved God and the land -Messianic Rabbi Yehoiakin-Barukh ben Yaacov.
