

## The Talking Stick and Other Stories

These short stories deal with subjects that span centuries. Some are very modern day, computers, and some are based on century old Native American customs, talking sticks. But, some of these old ideas can be applied to situations today. Stories in this book include Email--a murderer gets tripped up by an uninvited email; George Miller--an older man fighting depression gets help from an unexpected source; St. Martins Singles Club--a woman searches for romance on a trip to Alaska; The Gentle Giant--a story of revenge among teenagers; The Key--a love story with a slight twist; The Talking stick--an ancient Indian custom helps a couples marriage; Virgil--a crazed killer; Weedle--a love story, but with a total twist at the end; Wildfire--a teenagers problems with growing up; Wrong Number--a man solves some of his problems by talking with a stranger? on the phone.
