

## Theres a Silver Lining

Its 1918, the war is finally over, and Sarah Donnelly and her cousin Nancy are filled with hope for the future. In particular, Sarah eagerly awaits the safe return of her cousin Zachary, whom she has adored since childhood. But when Zachary returns to Blackpool, shattered by the horrors of war, he can barely face his family let alone reciprocate Sarahs affections. Refusing to be thwarted by rejection, Sarah throws herself into her job at Donnellys tea rooms, where her father, the owner of Blackpools most popular department store, has allowed her to work. Then Sarah spies a run-down building to let near North Shore, and decides to set up in business, running her own tea rooms. Meanwhile, Nancy, forever a dreamer, has chosen to follow in her mothers footsteps on to the stage, but it is not long before her youthful naivety lands her in trouble
