

Spring Days

Designed for school districts, educators, and students seeking to maximize performance on standardized tests, Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running thesaurus at the bottom of each page, this edition of Spring Days by George Moore was edited for students who are actively building their vocabularies in anticipation of taking PSAT?, SAT?, AP? (Advanced Placement?), GRE?, LSAT?, GMAT? or similar examinations.
